COMMUNICATION

You will receive a call from our birthday party co-ordinator the week of your party to confirm the number of guests, the three game options (four games for a 2 hour party), food options as well as any extras you might like for adults. Please note that during the holidays our office hours do change.

SIBLINGS

Siblings of guests are more than welcome to join in the fun, provided that you are happy for them to attend. Please note siblings must be supervised by their parents. The cost for free play on the equipment is \$15.00 per child, and it is up to you whether you are happy to cover the cost, or have the parent of the child pay. This does not include sitting at the party table or receiving a lolly bag. Please note that additional lolly bag's are \$5 each.

Please understand that we usually have party bookings finishing half an hour before or after your party. Our birthday hosts need to be able to clean up between each party and reset. There is no need for you to arrive more than 10 minutes before your allocated time, as we would like to make sure we are all set up and everything is clean for you.

Please note if you cancel your party within 14 days of the party date, your deposit will be forfeited.
